

WHO ARE WE?

The Blade and Edge Figure Skating Club is a non-profit volunteer organization formed in 1975 to encourage and develop the sport of figure skating in the Omaha community. The club was granted membership to United States Figure Skating (USFS), the governing body of amateur figure skating in the United States, and today is one of its approximately 585 clubs.

The club is governed by a Board of Directors elected by the adult membership in accordance with the by-laws of the club.

We are a family skating club that has activities for all ages and skill levels. The club skates year round at Motto McLean Ice Arena, Moylan Ice Plex, and from October through March at the Benson Ice Arena. In addition, we offer programs at the Sidner Ice Arena in Fremont. Our programs provide an incentive to learn and progress in the sport. The individual may participate in programs just for recreation all the way up to the serious competitor.

WHY HAVE AN OUTING?

Over the past several years the cost of renting ice has sky rocketed. We make every effort to make our sport affordable for everyone. This outing was developed with the plan that all profits will go to directly offset the cost of ice rental, so that the club can continue to offer affordable programs for the Omaha community.
